

**GeCom Export Srl** was founded to promote the taste of typical products produced in the south of Italy near the Mediterranean at the foot of the famous volcano Vesuvius.

GeCom Export Srl is specialised in exporting worldwide typical and genuine food products from Italy: Canned Tomatoes, Traditional Italian Pasta, Olive Oil, Coffee Espresso, Boiled Vegetables.

Our products are tested for quality and hygienic transformation and we take care of our clients by giving them a personalised service and assistance.

Our major aim is to carry on the tables of consumers the best Italian food product in terms of the taste and quality, under our Brand and a Private Label in order to assure an excellent service to all customers.

Every customer will find a responsive and professional team at their disposal: a qualified and multilingual sales department which will do its best to satisfy every request with constant attention to the customer feedback.
